MEDIA RELEASE

BIG BOAT BECOMES A FLOATING SANCTUARY THIS MOTHER'S DAY

On Saturday 2nd and Sunday 3rd of April The Big Boat will transform itself into a floating sanctuary for Mums in and around the High Peak.

You can treat your mum to an experience she will never forget - during the 2 hour cruise mum's get a choice of beauty treatments including mini-manicures and mini neck or head massages, as the boat cruises along the tranquil Peak Forest Canal.

After a relaxing beauty treatment mum's can sit back and enjoy the rest of the cruise with afternoon tea.

Jennifer Horton, Health and Wellbeing Manager of The Big Boat said: "Cruising on The Big Boat is a really tranquil experience and we thought how great it would be to combine that with a relaxing beauty treatment for Mother's Day all for an amount you would spend on a present for your mum anyway. The cruise isn't just for mum's it can be for grandma's, aunties, sisters and daughters or any female friend!"

The Big Boat is a fully equipped canal boat with a built-in sound system, ambient lighting and purpose built spaces including a kitchen and informal seating.

The entire experience of the cruise, beauty therapy, cream tea and a little present for you mum comes to just £15. For more information, bookings and times contact Jennifer Horton on 07722 873 957. Maximum number per booking will be 8 people.

The Big Boat is also available for private hire, visit www.bigboatwellbeing.com
