1. Who we are

The Greater Manchester Combined Authority (GMCA) is made up of the ten Greater Manchester local authorities, the Greater Manchester Fire and Rescue Service, and the Mayor of Greater Manchester. We work with other local services, businesses, communities, and partners to improve the city-region.

GMCA is providing Greater Manchester Integrated Settlement funding for Manchester City Council's (MCC) 'WorkWell' service. MCC is working with The Big Life Group to deliver the Service. This service aims to support disabled people and people with health conditions to start, stay or succeed in work. WorkWell can offer a range of support, and may include:

- Access and referral and / or signposting to local and community-based work and health support services.
- A personal assessment of what barriers you face to understand what support might work best for your circumstances.
- Personalised, goal-based plans to help you realise your ambitions and challenge the barriers you face to return to and/or thrive in work.
- Support for employers to understand the barriers you face and advice on how to provide workplace adjustments that support you (employers will only be contacted with your permission).
- Participants will be supported to get Access to Work funding for any reasonable adjustments.
- Disabled and /or Deaf people have a legal right to expect employers to make reasonable adjustments to enable them to work or continue working, and this programme will support you to talk to your employer about this if applicable. More information on workplace adjustments can be found in the GM Good Employment Charter Disability Guide for Employers: <https://www.gmgoodemploymentcharter.co.uk/disability-guide-for-employers/>
